As a TBARC club member you can submit up to 5 items for sale at the club table on your behalf. To support the TBARC you can donate as many items as you would like to the club.

Remember to have all items tagged with the price you want and room on the tag for the number you will be assigned. All items donated to the club should have a suggested price and marked with word **CLUB** on the tag.

Also remember to pick up all unsold items you submitted for sale on your behalf at the end of Hamfest (or have a designated person do so for you).
