

# Thunderbird Hamfest

## TBARC Club Table Rules

### 1. TBARC Members participation:

- 1.1. May submit 5 items for sale at the club table on their behalf.
- 1.2. May submit any number of items to be donated to the club for sale at the club table. (This is a way to help support your club)!

### 2. Submit a list of up to 5 items for sale at the club table when you bring the items to the table. A form is available for your convenience. The list must contain the following:

- 2.1.1. Your name and call.
- 2.1.2. Description of the item.
- 2.1.3. Condition of the item (e.g., works good , does not work )
- 2.1.4. Price you have the item listed for.
- 2.1.5. Minimum price you will accept for the item (if you are willing to come down on the price listed).

### 3. Bring items to the club table the morning of the Hamfest with a tag indicating the price you want for the item and room for a number that you will be assigned upon arrival. The number will be from your listing on the latest TBARC Club Roster and will be unique to you to allow us to keep track of the transactions at the club table in an orderly manner. Any items you are submitting for the club donation please write the word CLUB along with a suggested selling price you feel the item should bring. No number on those items is necessary.

### 4. Monitor the designated simplex frequency in case you are called about an item you have submitted for sale.

### 5. At the end of the Hamfest, be prepared to pick up all items that were not sold on your behalf, or have someone pick them up for you. Otherwise, we will assume they have been donated to the club.

### 6. The club collects a 10% commission for the sale of items at the club table that were sold on your behalf. You will receive 90% of the sale price of the items sold on your behalf. You should receive the money by the next club meeting or in the mail within 30 days.

### 7. All proceeds from the donated items sold will go to the club treasury.
